

## ECPHM exam

### Submission form for multiple choice questions

Dear colleagues,

The examination committee kindly asks you to provide exam questions for the upcoming ECPHM exams. We appreciate your contribution and would like to remind you that you will also receive valuable credit points for your re-accreditation, when submitting appropriate questions! Multiple choice questions are credited with 1 point per question and all other questions are credited with 2 points per question.

Please read the following notes carefully and ensure that each question complies with the format as described below.

#### For multiple choice questions

- Reading and answering the question should not take more than 90 seconds
- There has to be a clear question starting with a stem, e.g. "Which (one) of the following statement in regard to ... is CORRECT / is NOT correct?"
- There has to be only one correct answer out of five potential answers.
- Answers like "None of the above" or "All of the above" cannot be accepted.
- Please provide your answer in a format that requires understanding and interpretation rather than simple recall of facts
- Please avoid debatable answers!

Example:

1. Which one of the following acronyms for ECPHM is CORRECT?  
A) European Commission for Porcine Health Management  
B) European Centre for Physiology in Human Medicine  
C) European Commission for Public Health Management  
**D) European College of Porcine Health Management**  
E) European Centre for Public Health Management

We kindly ask you to submit at least 2 multiple choice questions using this form. If you want to submit more questions, feel free to fill this form several times. Once a filled form has been send via email, you can use the 'Delete' button to clear the form for the next round.

NOTE: If you are experiencing severe problems with this form, please submit your questions simply as a Word.docx attachment via email to [REDACTED]. Please do not include pictures in the Word file, but send them as separate attachments.
