## Information on the ECPHM Summer School and ECPHM pre-conference Workshop

---

### **ECPHM Summer School**

- All Residents shall visit both modules of the ECPHM Summer School (1+2), but attendance is not mandatory to successfully apply for the certification by examination
- Neither Residents nor Candidates shall repeat a module of the Summer School, if not justified in an individual case (e.g. interruption of attendance due to illness, etc.)
- Candidates, who have not visited all modules of the Summer School, can attend the remaining module(s) within 3 years after finalization of their residency

### **ECPHM pre-conference workshop**

- All Residents shall regularly visit the ECPHM pre-conference workshop(s), but attendance is not mandatory to successfully apply for the certification by examination
- Candidates can attend ECPHM pre-conference workshop(s) within 2 years after finalization of their residency
- In case of limited capacity, Residents are given priority above Candidates
